Sir:

PETITION REGARDING ORIGINALLY-FILED APPLICATION PAPERS

This petition is in response to the Notice to File Corrected Application Papers mailed February 22, 2001. The Notice indicates that Figure 16 was omitted from the application. Applicant hereby petitions the U.S. Patent and Trademark Office that Figure 16 (Exhibit A) was in fact deposited with the U.S. Post Office under Express Mail Label No. EL692235085US (Exhibit B) on December 1, 2000, along with the non-provisional application filing papers, and received by the U.S. Patent and Trademark Office on December 1, 2000, as indicated by the U.S. PTO bar code sticker affixed to the return receipt postcard (Exhibit C). The return receipt postcard verifies that the U.S. PTO received 20 sheets of informal drawings, which includes Figure 16. As further evidence, also attached as Exhibit D is a copy of the Utility Patent Application Transmittal dated December 1, 2000, which indicates that 20 sheets of informal drawings were filed with the non-provisional application filing papers.
